

Veda Nair

Stony Brook, NY | vedanair.vedanair@stonybrook.edu | www.linkedin.com/in/veda-nair

EDUCATION

Stony Brook University

MS in Data Science

Stony Brook, New York

Graduation Date: Dec 2024

Vellore Institute of Technology

Bachelor of Technology, Electrical and Electronics Engineering

India

Graduation Date: Jun 2021

WORK EXPERIENCE

Accenture

ML engineering analyst

Bangalore, India

Jun 2021 - Jul 2023

- Worked on developing cloud solutions for clients using the Azure cloud platform. Thrived in a fast paced work environment while paying attention to detail.
- Performed support activities which include but not limited to updating and record keeping of the errors/bugs that were raised during transition of solutions to higher environments. This included responding to client emails, troubleshooting of the issues and triaging the errors/bugs as they were raised.
- Worked to maintain databases in MySQL and Oracle to maintain client data in all environments including production. Developed optimised queries for querying relevant client data thereby reducing the time taken by 50%
- Extensive hands-on experience using the Microsoft Office Suite, Database technologies like MySQL and Cloud services.

VIT Student Photography Club

Club President

India

Jul 2018 - Jun 2019

- Developed the official website of the club to promote on campus events and enable easy registration for the same.
- Handled social media for the club and designed posters and content for the events of the club.
- Worked on the editorial team for the club newsletter. The same was also published on our WordPress blog.

Enactus VIT Chapter

Team Lead-Finance and Project Naari

India

Aug 2018 - Aug 2019

- Developed a website dedicated to Project Naari to help under-privileged women and girls access the necessary resources for maintaining safe and healthy sanitary practices.
- Maintained a Wordpress blog for our project to help team members and other students share their experiences in order to further empower the community.
